

Parish Statistical Data Report – 2011

The Parish database holds a myriad of facts, but here's the most relevant statistics for the year ending December 31, 2011.

The task of keeping track of parishioners who attend St. Mike's is an ongoing process. As of December 31, 2011, St. Michael & All Angels had 124 families on our parish list.

I would ask anyone changing their address or phone number, or to anyone adding a member to their family; please pass this information on to the Parish Secretary or to one of the Wardens as quickly as possible so that our records are current. I would add that our records of birth dates, baptism dates and wedding anniversary dates is far from complete. Remember, we are not interested in your age! We record only the day and month of the event. If you would like to receive anniversary prayers, you must give us your dates.

The following is a record of our registers for the 2011.

BAPTISMS IN 2011

Oliver James Phypers – April 10, 2011

Markus Vernon – June 19, 2011

Matthew Peter Rennie – October 10, 2011
