

TELEPHONE CHAIN MINISTRY REPORT 2011

The Telephone Chain has continued to operate successfully for another year. It was activated approximately ten times.

Our team consists of ten ladies. They are Annette Bouwman, Jenny Douglas, Kathleen Griffiths, Esi Laryea, Mona Martin, Millie Scott, Doris Weller, Pat Drinkwater and our newest member Joan Macdonald. My thanks to this wonderful group of ladies who so quietly and efficiently support this Ministry.

A special note of thanks to Jacqui Hoitz, who often follows up our phone calls with an e-mail and to Henriette Cann, who continues to take such lovely photographs at events.

Parishioners please help us keep our phone lists up to date and accurate. If you are not receiving phone calls or your phone number changes please let me know. The same applies if you no longer wish to be contacted.

Finally on behalf of all the ladies thank you for responding so generously and positively to our phone calls. It is your support that makes the events and projects at St. Mikes the success they are. We look forward to your continued support as we start a new year.

Respectfully submitted
