

COFFEE FELLOWSHIP
2010 Annual Report

The roster principle for Coffee Fellowship was not applied during 2010. Rather volunteers have been encouraged to sign up for duty involving either the setting up, cleaning up, or both. I have noticed that although people usually do not sign up, they will help when they are present in church. So by the grace of God and the efforts of our volunteers, we were able to provide coffee, tea, and juice every week following the 10:00 service.

The Coffee Fellowship was asked to provide the coffee, tea, and juice for the reception following the Confirmation service this past year. During the service, volunteers gladly set up the food provided by parishioners and families of the confirmands. We were pleased to offer this service on this special occasion. Thank you to all who participated.

The Welch family continues to be responsible for ensuring we always have enough coffee, tea, milk, and juice on hand for Sundays. Thank you for your attention to this important detail.

I would like to give special recognition to Henriette Cann for her continued efforts in this ministry and to extend my heartfelt thanks to **everyone** who participated in any way in this ongoing long-time tradition at St. Michael's. Without their support, we would not have enjoyed a Coffee Fellowship ministry this past year.

This ministry, like all others, counts on your participation and looks forward to welcoming even more parishioner involvement in 2011 remembering that *many hands make light work*.
