

PASTORAL CARE TEAM 'S ANNUAL REPORT 2010

2010, was a very difficult year for the Pastoral Care Team Administrators.

Of the 8 members, 2 moved away 3 continued to be caregivers for their personal family members.

This left very little time for them to meet and review their goals, for helping our Parishioners, in their time of need.

We did meet once during the year, to review what was needed, and what was accomplished during this particular and stressful year.

It was noted that our organizing members (Administrators) were becoming more senior, and we would need younger members to help in this area.

We are very fortunate to have approximately 40 Pastoral Care Team Volunteers, to help out when required, as caregivers in their particular areas of expertise (These are our ANGELS**)**

At our one (1) meeting, this past year we reviewed those in our parish, who had requested some help, and arranged to have the appropriate volunteer drive them for appointments or meet with them or have meals, etc. sent to them.

At our meeting, we also review the letters, and cards of thanks, which were sent to our Team, for the help that our Angels have provided for them during their illness or incapacitation.

Many thanks go out to our Angels and their areas of expertise, and we wish to thank them for their help in making it easier for some of our parishioners, in their time of need.

Special Thanks to Rev. Michelle, for her time spent to fill in as Chairperson at the administration meeting.

Respectfully submitted,

Walter March

On behalf of the Administrators.
