

## Rector's Warden Report for 2010

This past year has been a very busy year for me. Besides keeping up with my Lay Readers workshops, study days and weekend retreats, I spent a number of evenings in the company of the other members of the Corporation discussing and planning how to move forward with the best interest of St. Michael's a priority. I also attended a Deanery meeting and spent many nights with the other members of the Search Committee looking to find the best person to lead us in worship.

My term as Rector's Warden has now come to an end and I am so....grateful to have been associated with such wonderful people. I have grown immensely from the experience. I look forward to the next challenge that the Lord puts before me.

In closing, I am reminded of wise words from someone I hold in high esteem;

Take ownership of your Church. Listen to what The Lord is telling you and follow Him He will never let you down. You will only find disappointment when you start listening to yourself.

Prayerfully consider in what way **you** can take ownership and where **you** might fit into Gods plan for this place. God knows, He just hasn't shown you yet!!!!

Respectfully submitted,

In Christ's service,

Don MacDonald
