

Parish Statistical Data Report - 2010

The Parish database holds a myriad of facts, but here's the most relevant statistics for the year ending 31 December 2010.

The task of keeping track of parishioners who attend St. Mike's is an ongoing process which I enjoy. There is a continual movement of people coming to the West Island, while others move away. As of December 31st, 2010, St. Michael & All Angels had 111 families on our parish list.

I appeal to anyone changing their address or phone number, or to anyone adding a member to their family; please pass this information on to the Parish Secretary or to one of the Wardens as quickly as possible so that our records are current. I would add that our records of birth dates, baptism dates and wedding anniversary dates is far from complete. Remember, we are not interested in your age! We record only the day and month of the event. If you would like to receive anniversary prayers, you must give us your dates.

The following is a record of our registers for the year 2010.

BAPTISMS IN 2010

Jade Madisyn Goldstein - April 4, 2010
Nicholas Brian Edouard Tremblay - April 18, 2010
James Tiberius Fox - May 16, 2010

FUNERALS & MEMORIAL SERVICES
